

(An Informal Pressure Group of Environmentally Restless People)

THE NATURE VOLUNTEERS INDORE

**ANNUAL REPORT
2020-2021**

BHALU MONDHE (Padma Shri)
Hon President and Founder

Bhalu Mondhe has been an avid nature lover for over 50 years now. He is an acclaimed wildlife photographer. Besides being a professional lensman, he is also a painter and sculptor. His love for photography took him to every nook and corner of India. He first visited the Kanha National Park to photograph tigers and enjoy the verdant jungle, much before it was formally declared a tiger reserve under the Project Tiger of 1972.

His long stints in Europe and America made him a confirmed environmentalist. So conserving nature became his second nature! His untiring efforts helped protect and conserve a severely threatened bird habitat and wetland called Sirpur Lake, Indore, along with its flora and fauna. Twenty five years down the line, Bhalu Mondhe, is a well known name in the field of environment, wetland protection and bird watching. He was awarded the prestigious civilian honour Padma Shri in 2016 by the President of India.

PRINCIPAL FOUNDERS

ABHILASH KHANDEKAR
Hon Vice-President and Founder

Abhilash Khandekar, the founder secretary of TNV, continued with his journalistic profession and other interests while still working with us. Even after being elected to the prestigious position of Madhya Pradesh's richest sports body-MP Cricket Association (MPCA) as President in October 2019, his interest and involvement in environmental pursuits remained high as ever. Looking at his passion and ability to deliver, the MP Government again nominated him to the MP Wildlife Board in 2020 and then inducted him into the newly formed MP Wetland Authority for a period of three years (2020-2023). It's an honour for TNV.

The Wetland Authority has been constituted under the chairmanship of the Environment Minister of the State and as per the legal directives of the (MOEFCC), New Delhi.

Along with Mr Mondhe and others, he is trying to expand TNV into a professional organisation that would undertake more and more advocacy and field research works with the help of domain experts.

RAMESH PRATAP SINGH, IFS (R)
Chairman and Wildlife Expert

In 35 years of service in the elite Indian Forest Service (IFS), Mr. R.P. Singh has undertaken several outstanding innovations and policy measures having powerful impact in the field of wildlife conservation and forest management. His dedication to forest conservation has been awarded and recognised in illustrious private as well as public forums at the national and state level like Sanctuary Asia Wildlife Service Award (2017), RBS Green Warrior Award (2015), Prime Ministers Award for Wildlife Management (2016) and Chief Ministers Gold Medal for Relocation (2016). He joined TNV as Chairman in 2020. He lives in Bhopal.

VISION

To have a well-protected, healthy and beautifully green environment around us.

MISSION

To conserve birds and their habitats; secure wetlands and their biodiversity and constantly work with people and governments to protect wildlife, to improve upon our natural ecology and urban chaos while ensuring wellness of trees, animals and people!

SECRETARY'S REPORT

Dear friends,

"Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it is the only thing that ever has." - Margaret Mead

The environmentally restless TNV and its team of dedicated volunteers, was quite busy with various activities throughout 2020-21. We can proudly say that in spite of the pandemic and the resource crunch we are facing, we continued to remain committed to the path of environment protection and conservation virtually

The main activities of TNV in 2020-21 include:

- **27-28 Sep 2020.** "Sustaining the Environment- Challenges and Solutions." A three-day webinar on this theme was organised by TNV. On 27 Sep the environmentalist, wildlife expert and author from Pune, Dr Erach Bharucha, a surgeon by profession, spoke on - "Wetland management: Challenges and possible solutions." On 28 Sep the speaker was Dr Pankaj Srivastava, IFS, Director IIFM, Bhopal, and an expert on river Narmada who has deeply researched the interlinks between forests and hydrology. He spoke on - "Forestry for River Rejuvenation." On 29 Sep Mr Ajay Jha, Director, Public Advocacy Initiatives for Rights and Values in India (PAIRVI), New Delhi spoke on "SDGs and India; Progress and Pitfalls." The moderators for the three days were Mrs Vindhreshwari Kumari, Mr Sajid Lodi and Mr Dev Kumar Vasudevan. Mr Ravi Gupta managed the webinar on the online platform Zoom.
- **Nov 7 & 8 2020.** A two day webinar on "Harness Solar Power and Compost Green Waste to sustain the Environment" was conducted online. Experts discussed how solar energy can help protect the environment and how to convert green waste to black gold! Nov 7 Speaker Dr Susmita Bhattacharjee, Indore (Founder, Pushan). A solar energy expert, working for innovative solar energy solutions for a sustainable ecosystem from renewable resources Dr Susmita spoke on "Solar power, the bright alternative." Nov 8. Mrs Sarika Gadikar of Indore, an IT Professional and a home composting expert spoke on "Composting - Recycle Smart!"
- **Nov 21 2020.** MP State Fish Mahseer Conservation Project. The foundation stone was laid for a multifaceted project for the conservation and promotion of Mahseer (genus Tor), the state fish of Madhya Pradesh in village Pitambali, in Badwah district, on the banks of the river Narmada.
- **Dec 12 2020.** A webinar on the topic "Elephants, Habitats and Challenges" by the elephant expert Mr Vivek Menon was very well attended and received. He threw light on the corridors and stressed the need to protect them.
- **Dec 25 2020.** TNV organised the first bird watching programme at Dhar, in association with the INTACH Dhar Chapter and the organisation Kanva Van of Dhar. The event was conducted at all the important lakes

Dev Kumar Vasudevan
Secretary

and wetlands of Dhar district, where many species of migratory and resident birds were spotted. Our member Abhyuday Kelkar took the commendable initiative.

- **Jan 3 2021.** Sirpur Lake Cleaning Drive in Association with the YHAI. To create awareness regarding cleanliness and good health, TNV and the Youth Hostels Association of India (YHAI), Indore chapter, jointly organized a large-scale cleaning drive at the Sirpur Lake area. It generated a very good response. Almost 100 volunteers participated in it. A cycle rally was also organised from the Gangwal Bus Stand to Sirpur Lake on the occasion to promote the message of good health. O.P. Maheshwari took the initiative.
- **Jan 10 2021.** Bird survey at Sardarpur, Dhar. The Forest department organised the first ever bird survey at Sardarpur Sanctuary, in Dhar district, about 105 kms away from Indore. There were 27 participants on 5 trails who took part in the survey. A total of 71 species were spotted. Shri Ajay Gadikar, ornithologist and TNV member, helped the forest department in compiling and finalising the technical report of the sightings.
- **Jan 24 2021.** Webinar on butterflies. The speaker was the former CCF, MP Forest Department, Shri Anil Nagar, an expert on butterflies. He conducted a very enriching and informative talk titled "Jungle ki baat, titli ke saath."
- **Feb 12-14 2021.** 3rd Bird Survey at Gandhisagar Wildlife Sanctuary Districts Neemuch and Mandasaur. The three-day bird survey was conducted by the MP Forest Department. A total of 80 participants from 7 different states participated in it. The survey was conducted on 24 trails and a total of 222 species were documented. Many TNV members, along with Secretary Dev Kumar Vasudevan participated in it. Our member and ornithologist Shri Ajay Gadikar helped in collating the technical report of the outcomes.
- **Mar 07 2021.** The first bird survey was conducted at Ralamandal Sanctuary by the Forest department. An enthusiastic group of 24 conducted the survey on 5 trails and a total of 84 species were documented. TNV members, along with Secretary Shri Dev Kumar Vasudevan also participated in good numbers and our member Shri Ajay Gadikar helped in collating and finalizing the technical report of the survey. TNV pledges to continue its activities to monitor and protect the environment and we thank all individuals and organizations including EPCO Bhopal, IMC Indore and the MP Forest Dept who support us in our mission. We also appeal to various individuals, industrial houses and other patrons to come forward to extend their support to TNV.

Have a great year ahead...

ABOUT TNV

The Nature Volunteers (TNV) is a leading conservation movement NGO and a not-for-profit organisation, functioning from Indore, MP. It celebrated its silver jubilee in 2016-17. TNV is a registered organisation with a top track record of variety of works such as wetland conservation, bird habitat protection, save tiger campaign, raising environment and climate issues at national and international fora, publishing books to create awareness in the masses, organising bird watching camps, participating in vulture counts, and so on. Much before the climate change and environment degradation emerged as global challenges, TNV had started its modest field work in these areas.

Indore's famous Sirpur Lake, which is about 120 years old, was a natural bird habitat but fell on bad days due to the negligence of its owners, the Indore Municipal Corporation (IMC). TNV, led by its president - an acclaimed environmentalist, Mr Bhalu Mondhe (Padma Shri), took upon itself to conserve the wetland and its flora and fauna.

Upon his return from Germany, Mr Mondhe found his hometown Indore in the grip of growing pollution and urban chaos. To get away from this polluted and frenzied city, he took off to his favourite 'outing' spot - Sirpur. But he was in for a rude shock! The state of the once-beautiful, sprawling Sirpur Lake unfolded a picture far removed from his wonderful school boy memories. Trees being felled, water contaminated, garbage heaps, leaves and timber being burnt and anti-social elements vitiating the environment. Sirpur appeared nobody's priority or responsibility. A person who chose Indore over Düsseldorf, was quite disturbed to see the appalling state of the Lake. He soon, along with his young journalist friend Abhilash Khandekar, then working with Free

Press Journal as a sports correspondent, set up The Nature Volunteers (TNV) -- "an informal pressure group of environmentally restless people".

Their love for the city and its well being was a common point of interest. They teamed up to save Sirpur. It was 5th June 1992. Since then their untiring multi-pronged efforts have resulted in the Lake and its biodiversity being protected completely.

It took them and their colleagues almost 15 years of sustained efforts which brought back to life the sprawling Lake, the biggest chunk of carbon sink around Indore and ensured it regained its pristine glory.

The complete conservation of Sirpur Lake, as an urban water body, is now a well known success story across the country. It also has recently got an international recognition. Sirpur has been declared as 'Important Bird Area' (IBA) by the International body, Birdlife International, London, on the recommendation of BNHS. We refer to it as the Sirpur Bird Sanctuary (SBS) in reverence to the 140 colourful species of resident and migratory birds.

HELP US CONSERVE - PARTICIPATE AND DONATE हमारी सहायता करें - सहभागी बने और दान करें

Help us in our mission to conserve birds and their habitats, secure wetlands and their biodiversity, protect wildlife, improve upon our natural ecology and urban chaos while ensuring the well being of flora and fauna. Your participation and donation will help us fulfil our vision of a well protected and healthy environment for all.

पक्षियों और उनके आवासों को संरक्षित करने, आर्द्रभूमि और उनकी जैव विविधता को सुरक्षित रखने, वन्यजीवों की रक्षा करने, वनस्पतियों और जीवों की भलाई सुनिश्चित करते हुए हमारी प्राकृतिक पारिस्थितिकी और शहरी अराजकता में सुधार करने के हमारे मिशन में हमारी मदद करें। आपकी भागीदारी और दान हम सभी के लिए एक अच्छी तरह से संरक्षित और स्वस्थ वातावरण के हमारे प्रयासों को पूरा करने में मदद करेगा।

OUR ACTIVITIES

Mahseer Conservation Project - On 21st November 2020, in village Pitambali, in Badwah (Khargone District), on the shores of River Narmada, the foundation stone was laid for a multifaceted project for the conservation and promotion of Mahseer (genus *Tor*), the state fish of Madhya Pradesh.

Dhar Bird watching programme - On 25th December 2020, TNV organised the first bird watching programme at Dhar, in association with the INTACH Dhar Chapter and the organisation Kanva Van of Dhar. The event was conducted at all the important lakes and wetlands of Dhar district, where many species of migratory and resident birds were spotted.

OUR ACTIVITIES

Sirpur cleaning programme with YHAI, Indore - To create awareness regarding cleanliness and Civic Responsibility, TNV and the Youth Hostels Association of India (YHAI), Indore chapter, jointly organised a large-scale cleaning drive at the Sirpur Lake area on 3rd January 2021. Around 100 volunteers participated in it.

OUR ACTIVITIES
